Technical Bulletin

**2012 Mercedes-Benz C350, C350 4Matic, GLK350, GLK350 4Matic,
and ML350 equipped with V6 3.5L F. Inj. 24V engine**

Many ESM (Electronic Service Manuals) and 2012 Filter Application Catalogs in your service centers incorrectly listed the L25277 (POF5277) as the oil filter to be installed on 2012 Mercedes-Benz C350, C350 4Matic, GLK350, GLK350 4Matic, and ML350 vehicles equipped with the V6 3.5L Fuel Injected 24 Valve engine.

This is not the correct application for these vehicles!

IMPORTANT: Do NOT install the L25277 (POF5277) oil filter!

**The OEM filter is the only filter
available for these applications.**

We will notify you when an aftermarket oil filter is available.

Please notify all of your technicians and service personnel about this application to insure that the correct oil filter is installed.
