CUSTOMER: Prime Guard Filter Customers

SUBJECT: PAF4690C Air Filter Application Correction

FROM: Prime Guard Technical Service Department

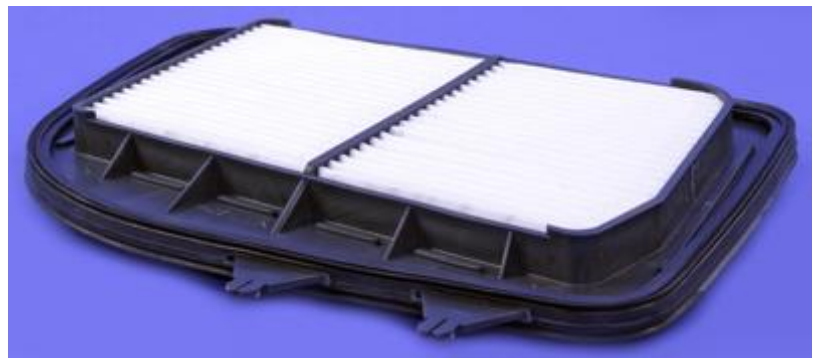

It has been brought to our attention that the 2014 Prime Guard Filter Catalog contains incorrect application information for the 2004-2009 Cadillac SRX and the 2005-2011 Cadillac STS. The application should read PAF4690C. The “C” was inadvertently dropped from the application guide. Please correct this information in your 2014 Prime Guard Filter Catalog.

All e-catalog applications will be updated through MOTOR as soon as possible. For any product questions or concerns, please contact your Prime Guard sales representative.
